| SA-EU COVID-19 DIALOGUE STAKEHOLDER ANALYSIS | COVID-19 DIALOGUE title: |
|---|-------------------------------------|

The PMU wish to provide you with an option for stakeholder mapping as very first step in dialogue design and support you in:

- Designing virtual dialogue platforms and determine participants at concept stage
- Early planning to address specific implementation issues with COVID context
- Ensure that the right participants are invited given a South Africa’s unique context
- Plan those parts of a dialogue which are concerned with deepening the understanding of dialogue topic
- Help bridge the divide between different partners of the dialogue
- Design a strategic partner and participant communications plan
- Catalyze reforms by building knowledge and capacity of the right people as result of participating in this dialogue.
